

# The seed of peace not dragon's teeth

There is an angel. This suggests that German greatness is a positive thing and not a threat

Hitler is walking on a map of Europe, eastward

The imagery is quite deliberate. It is based on a parable in the Bible in which a man sows seeds. Suggests a link between Hitler and God

Hitler = Jesus

“The seed of peace, not dragon's teeth” cartoon of Hitler, from the magazine *Kladderadatsch*, 22 March 1936 ©

The archangel Gabriel – announcing a new order?
