

This poster makes a direct Christological comparison. Just as a dove descended on **Christ** when he was baptized by John the Baptist, so what looks to be an eagle hovers against the light of heaven over an idealized Hitler. The text: "**Long live Germany!.**"

A strong, numerous,  
and united Germany –  
*power granted from  
God.*

*Oak leaf border = symbol of strength  
and longevity in Nazi iconography*
