

Jews (Stars of David), Capitalists (dollar signs), and Communists (hammer & sickle) are ALL part of the disease under inspection!

Jew = a germ (or)
a sickness!

Jews = *root of all evil*

Jews = bad blood

Scapegoat for the decline of Germany?

Microscope = indication that Jews were "hiding something." But if you examine them closely, you will find that they are really poisoning the good German!

Der Stürmer was probably the most infamous newspaper in history. For twenty-two years every issue denounced Jews in crude, vicious, and vivid ways. Although Streicher employed a large staff by the end of the 1930s, he always had the final say, "Streicher and the *Stürmer*, they are one and the same," he would say proudly.
